

The Druid Clan of Dana develops psychic, spiritual and mystical gifts. The 12 Initiations are divided into 4 Grades with 3 Initiations in each. The 1st 3 Tests involve honouring the Goddesses of Beauty, Love and Truth: Dana, Morrigan and Brigid. Success brings the designation "Bard." The 2nd Grade is concerned with the spiritual sphere which is the inner life of all Nature. The designation "Druidess" and "Druid" is conferred. The 3rd Grade teaches the art of bringing harmony between people, other groups and world cultures. The ancient title is "Herenach." The final Grade, "Archdruidess" and "Archdruid" gives authority to found a Grove because of psychic, spiritual and mystical development.
