

The Noble Order of Tara promotes dedicated work for our planet. There are 12 Initiations divided into 4 Grades. The first 4 Tests culminate in the Accolade of Dames and knights, who have actively worked for their local environment. The 2nd Grade, Lords and Ladies of the Grael, develops spiritual awareness and the ability to commune with Nature Spirits. The 3rd Grade, Dames and Knights Commander, honours skills in working with other groups and cultures, with our common purpose of saving the earth. The final Grade, Grand Dames and Knights Commander, confers the right to found a Priory because of all-round abilities. See key to diagram.
